

A vibrant illustration for Halloween and Día de los Muertos. The background is a warm orange gradient with a large, bright white full moon in the center. Silhouettes of bats are scattered across the sky, some near a spiderweb in the top right. In the foreground, there are silhouettes of bare trees, a black fence with pointed posts, and several jack-o'-lanterns with glowing faces. On the left, a colorful sugar skull is depicted with intricate floral patterns in red, blue, and green, set against a black background with white skeletal motifs and roses. On the right, a black silhouette of a cat sits atop a tombstone.

HALLOWEEN

DIA DE LOS MUERTOS

2020

The image features three hand-carved jack-o'-lanterns. Each pumpkin is orange with a dark green stem and is carved with triangular eyes and a jagged, toothy mouth. They are arranged on a dark, textured surface, possibly a piece of fabric or felt. The lighting is dramatic, highlighting the texture of the pumpkins and the depth of the carvings. In the upper right corner, there is a bright orange, wavy-edged shape containing white text.
