

# HALLOWEEN DIA DE LOS MUERTOS 2020

A collection of several carved jack-o'-lanterns (pumpkins) arranged on a dark, textured surface. The pumpkins are orange with black stems and have various facial expressions carved into them, including triangular eyes and jagged mouths. One pumpkin in the foreground is particularly prominent, showing a classic 'spooky' face. The background is dark and textured, possibly a piece of fabric or a wall. An orange, wavy-edged shape is overlaid on the right side of the image, containing the text.

On Halloween, I expect  
great events for all of  
us, because on this  
day, the witches of  
good always unite their  
powerful thoughts,  
focused on peace,  
prosperity, abundance,  
fertility, respect for  
the land and the  
elements that guarantee  
the life of all beings.

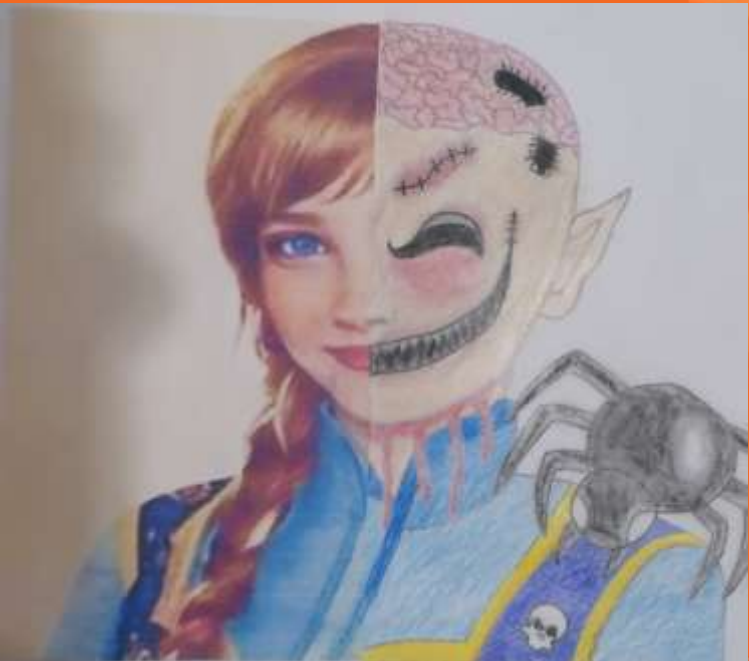

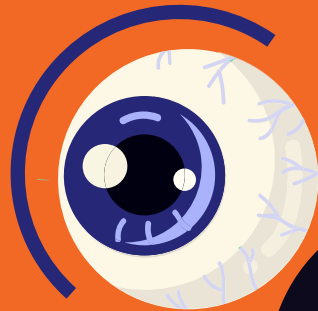

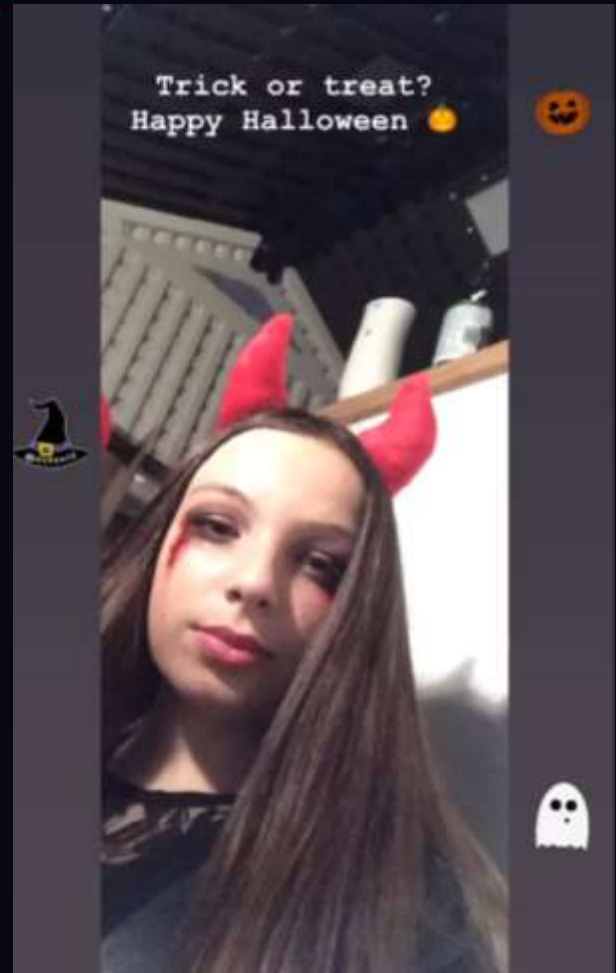

Trick or treat?  
Happy Halloween to everyone
